Divine values are the eternal attributes of our souls and therefore inherent in each being from birth. When we manifest these values in our beliefs, thoughts, feelings, words and actions in our daily lives, we experience peace, harmony, wellness, fulfillment and bliss. We can also easily understand that all beings have the same divine essence. Loving all & serving all, helping ever & hurting never, then becomes our joyful nature.

Whenever these values are not manifested in our beliefs, thoughts, feelings, words and conduct, we experience fear, worry, jealousy, conflicts and dis-ease at the physical, mental, emotional, social and spiritual levels.

Sai Sanjeevini Tonic SSC1 + SSC 60

SSC1 and SSC 60 together make a wonderful Sai Sanjeevini tonic for our physical, mental, emotional, social, financial, moral & spiritual well-being.

Dosage: Water charged with SSC1 & SSC60 can be taken as a rejuvenating tonic throughout the day. Minimum dosage of twice a day (Morning & Evening) is recommended.
